**City Attorney:**

Carrie Ritsert explained how the city could withdrawal the Villa Condo's from the city. It would have to be put on a ballot, draw up legal status, have ordinances drawn up, and have a majority vote. It was discussed to table this until next year when the new officers are installed.

The parking ordinance was discussed with clearing up some issues. Carrie stated that she will have it ready for the second reading and the next meeting.

**Public Works:**

Chris Wilmes states the lights at the entrance are fixed. He spoke to a vendor that stated that they could get the city light bulbs for the entrance at no cost. He will speak with them again to get the details. There are six (6) lights out in the city. L G & E is aware of it and the city is on the list to have them fixed.

The trimming was questioned and Chris stated that it is to be done this week, and it was asked about the fall flowers. Asked about the stump of the tree that fell in early summer. Chris will make calls about having the stump removed.

Check on the curbing by the Dollar Tree, and Judy will check the minutes to see if those curbs had any warranty for replacing when they crumble.

**Old Business:**

Snow removal needs to selected next meeting. Dan looked up six companies and will send out the list of needs. Janet will contact Langdon City and Westwood to see who they have. At the November meeting we will have to decide who we want and pick a vendor.

**New Business:**

Chris Wilmes proposed to have an extra trash pick-up for the Villa Condo.

Janet Mattern seconded

Motion carried to have Rumpke make a extra trash pick-up for the Villa Condo.

Attendance policy for the commissioners was discussed. Will check with KLC to see if there is anything in standing ordinances that address this issue.

The tree canopy problem still exists and Linda DeGrella cannot be on the committee with Janet to work on the problem. This issue will be tabled until after the first of the year.

Meeting adjourned at 7:43 PM.

Motion carried to adjourn meeting.
