Please Note: Rolling Hills City Officials work in a part-time capacity. Most have other occupations; please be patient if you attempt to call and we are not immediately available. Leave a name and number and we will return your call at the earliest opportunity. In and emergency situation dial 911 and then call your city official.

## A message from the Mayor:

It's been a difficult couple of months with some negative attention pushed on our city by the media and I'm glad it's died down and we're back to the quiet community we all know and love. There are a number things coming up that myself and the commissioners are excited to be sharing with you. First, beginning later this month there will be some trucks in the neighborhood working on our signage. It's a legal requirement that we keep up our signs up to code and money was appropriated for this in our 2016-2017 budget. While this is necessary, it also gives us the opportunity to spruce the city up a bit. All Stop, speed limit and street signs will be traded out with more modern styles and I expect it will and great visual impact for the city of Rolling Hills.

We'll be wrapping up the 2017-2018 budget at our June meeting for this upcoming year. Over time we've accumulated a considerable cushion of funds which have been provided to us by the state for the specific purpose of roadwork. In this year's budget, we plan to make available a considerable amount of that money to take another look at our streets and make as many improvements as we can. However, there will still be plenty in reserve for future work and emergencies.

Finally, since taking over as Mayor in January I've repeatedly heard concerns about policing within our city. We know it's been an issue for a while and we've been working for months to get a new plan in place. Beginning in July we'll be contracting with The City of Meadow Vale and increasing our patrols SIGNIFICANTLY. Because of their proximity we'll have a much greater presence much more often. In addition, we're working with them to hire and share a code enforcement officer that will work for both cities and possibly a third. We're in the process of finalizing the details and are looking forward to this new working relationship with our neighbors.

-- Mayor Jaeger

## Young Entrepreneurs:

Looks like the entrepreneurial spirit is alive and well in Rolling Hills. Whether you're a University of Kentucky fan or not, anyone can get behind a cold drink on a hot day!

*We want to feature more of our residents and the fun things going on in the city of Rolling Hills. If you've got exciting news, want to give a shout out to someone, have a story you want to share, see anything interesting or simply have a joke to tell - please email them to:*

## Community Giving:

### Lyndon Fire and Rescue Open House

Mayor Stone Jaeger and commissioner Janet Mattern presented a \$500 donation for the Crusade for Children to Lyndon Fire Chief during the station's annual open house June 3. The department's reach spreads well beyond the limits of Lyndon and they make regular runs to Rolling Hills for a variety of emergencies.

During the event, which included the dedication of a new fire truck, the department was collecting donations for the 64th annual Crusade for Children.

## Dates to Remember:

June 15 - Trash & Recycling Pickup  
June 18 - Father's Day  
June 20 - City Council Meeting  
June 22 - Trash Pickup

August 10 - Trash & Recycling Pickup  
August 15 - City Council Meeting

*We welcome you to join us and voice your thoughts on the community at our monthly City Council meetings. Our meetings are held at the Plantation City Hall (2502 Hermitage Way, Louisville) on the third Tuesday of each month at 7 pm.*

## Important Information:

### Important Home Owners Insurance Information

Most of Louisville's Municipal cities, Rolling Hills included, receive a Premium Insurance Tax from the various insurance companies who are represented in our city. Commissioner Mattern has been working with the Department of Insurance to track down missing funds from these insurers over the past few years. Some of the funds may have been paid to the wrong city and we would like to strongly encourage each of you to contact your home owners insurance company and make sure that they have on file that the city to receive this credit is listed as Rolling Hills and not Louisville. This represents a large source of income for the city and we want to be sure we're doing what we can to capture these funds.

## City Get Together:

### Back to Labor Fall Social

Huh? Yeah, I don't know what that means either other than we'd like to celebrate something together as a city! We've tossed around a couple of ideas and now we want you to vote.

1. Back-to-School Ice Cream Social
2. Labor Day Block Party
3. Rolling Hills Fall Festival and Soapbox Derby

There are two ways to vote. You can either call **(502) 387-2917** and leave a message on our city voicemail or email your preference to **vote@cityofrollinghillssky.com**. Please vote before July 17th so we can start preparing and get the word out.

You can also use that same contact information to let us know what weekend you'd most like to have the fall citywide yard sale. Submit a couple of Saturday's that will work best with your family schedule and we'll select the weekend based on the most common date.

## Other Notes:

By request, we'll be going back to bimonthly newsletter format beginning in August. I apologize to all those who've felt out of the loop lately.

With the next newsletter, we'll be adding advertising and specials back in. We don't have any rates set yet but if you know someone who owns a business and lives in Rolling Hills we'd like to help you get the word out too. That goes for any babysitters and lawn mowers as well - if you have a service to provide the community we'd like to advertise that too! Email any questions to the **news@cityofrollinghillssky.com** address.

We are working to address some of the excess trash at the root causes. While we work through these issues please help keep our city beautiful and pickup anything that comes across your path.

Don't forget to pick up your dog's mess!!!
